

Hillary SIS, PERSONAL AUTOBIOGRAPHY

With great pleasure I am very happy to share with you my short personal biography.

My name is Hillary Sis. I was born on September 8, 1986. In the years 1996 - 2003 I attended Guma Primary School doing my grades 1 - 8. In the years 2004 - 2005 I attended Palmalmal High School doing my grades 9 and 10. In 2006 and 2007 I did my grades 11 and 12 at Kerevat National High.

When I was a small boy at the age of 7 I was really inspired to become a priest by the young seminarians from my parish. The cassock which is their liturgical dressing really inspired me. Every Sunday when seeing them fully dressed in white, I always admired them. Though I knew very little about the angels, I always thought that I saw real angels when seeing these young ones dressed in white. This really motivated my interest to become a priest. From there I set my goal to become a priest, and I really try my best to achieve my goal. Every time when going to school I always told the Lord, please help me to become a priest.

In the year 2007 I applied to Lannuzel Formation Centre. It was a surprised but joyful moment when I realized that the Lord really answered my prayers. With the providence of the Lord I was accepted to become a diocesan candidate. In the year 2008 I entered Lannazel Formation Centre. There I started to discern fully my vocation and pray more about it.

In 2009 and 2010 I started my philosophical courses at the Sacred Heart Inter Diocesan Major Seminary, and in 2013 I started my theological courses. At the beginning of 2014, from January to December, I did my pastoral year and experienced the life of a priest in the field. Now, at the beginning of the school year 2015, I am back in the seminary to continue my studies. By the year 2016 I will complete my studies, and I am looking forward to a great challenging task in the field: to serve and work among the people and to bring Christ into the lives of the people.

Thank you for your prayers and your continuous support, and let us continue to pray for one another and for the conversion of the world.

God bless you all.
