BIRTHDAY 2022

“It is important to celebrate birthday because it means to say to someone: **“Thank you for being you.”** Celebrating a birthday is exalting life and being glad for it. On a birthday we do not say, “Thanks for what you did, or said, or accomplished.” No, we say: **“Thank you for being born and being among us.** Hence, Birthday need to be celebrated.”(Henry Nouwen)

A BIRTHDAY PRAYER

I am a year older today, God,
and my birthday wish is this:

Let me keep growing!

I want to grow, God,
not only in years
but in strength,
in wisdom,
in love.

I want to gain patience.

I want to gain compassion
and understanding.

This year,
please help me
to realize the potential
You have placed inside me.

Thank you, God,
for giving me
precious life.
Amen.

(“Talking To God”, Naomi Levy)
