

BIRTHDAY 2024

*It is important to celebrate birthday because
it means to say to someone:
“Thank you for being you.”
Celebrating a birthday is exalting life and being
glad for it. On a birthday we do not say:
“Thanks for what you did,
or said, or accomplished.” No, we say:
“Thank you for being born and being among us.
Hence, Birthday need to be celebrated.*

A BIRTHDAY PRAYER

*I am a year older today, God,
and my birthday wish is this:
Let me keep growing!
I want to grow, God,
not only in years
but in strength,
in wisdom,
in love.*

*I want to gain patience.
I want to gain compassion
and understanding.
This year,
please help me
to realize the potential
You have placed inside me.*

*Thank you, God,
for giving me
precious life. Amen.*
